

## Camp

### Sample Daily Schedule\*

Students grade 2 - 8 rotate through 4 hands-on labs throughout the week and end camp with a field trip on Fridays. Guest science professionals will also introduce students to their fields of expertise during the week.

*This sample schedule does not reflect weeks where Guest science professionals may present on a day other than Monday, and where more than one Guest science professional may visit EIS.*

#### Sample Theme: Wonders of Wildlife

<b>Monday</b>
