

**June 15 - August 21**

**Grades 2-8**

# STEM

## Summer Camps

**Activities include:**

Genetics	3-D Printing
Biology	Marine Biology
Coding	Engineering
Ecology	Astronomy
Botany	Oceanography

**\$200\* per week**  
\*Discounts available  
\*Week 3 \$160 (no field trip)  
Before & After care available  
**Register at [EISCA.org](http://EISCA.org)**

## Summer Camps: June 15-August 21 2020 / Hours: 9:00 AM – 4:00 PM

We are looking forward to another 10 weeks of STEAM fun where students learn using hands-on science activities!

**Week 1- Monday June 15- Friday 19 Theme: Exploring Genomics: What Makes You, You?**

Students will participate in hands-on genetics, chemistry, biology and more STEAM activities.

**Week 2- Monday June 22- Friday 26 Theme: Super Heroes Adaptations**

Students will participate in hands-on ecology, genetics, biology, and more STEAM activities.

**Week 3- Monday June 29- Thursday July 2 Theme: Conquer Coding! (Discount price \$160)**

Students will participate in hands-on coding, engineering, marine biology, and more STEAM activities.

**Week 4- Monday July 6- Friday July 10 Theme: Garden Genius**

Students will participate in hands-on food science, botany, health science, and more STEAM activities.

**Week 5- Monday July 13- Friday July 17 Theme: Galaxy Explorers**

Students will participate in hands-on astronomy, physics, coding, and more STEAM activities.

**Week 6- Monday July 20-Friday July 24 Theme: Rocket Science**

Students will participate in hands-on engineering, 3D printing, physics, and more STEAM activities.

**Week 7- Monday July 27-Friday July 31 Theme: Whales, Porpoises, and Dolphins, Oh My!**

Students will participate in hands-on marine biology, photography, ecology, and more STEAM activities.

**Week 8- Monday August 3- Friday August 7 Theme: 3-D Printing Inventors**

Students will participate in hands-on 3D printing, engineering, biology, and more STEAM activities.

**Week 9- Monday August 10- Friday August 14 Theme: Ocean Protectors**

Students will participate in hands-on oceanography, climate science, environmental science, and more STEAM activities.

**Week 10- Monday August 17- Friday August 21 Theme: Science Communication**

Students will participate in hands-on ecology, art, nature journaling, and more STEAM activities.

**FIELD TRIPS:** Every Friday of each camp week students will attend an educational field trip to various destinations in San Diego. All field trip costs are included in the camp registration fee. There is no field trip due to the Holiday on Week 3. The field trip for week 9 will be on Thursday.

**GUEST SPEAKERS:** Every week we will have scientists and other experts share their work in a related STEM field.

**BEFORE & AFTER CARE:** EIS offers before and after care during camps! Each rate is the price per student\*.

Before camp drop off between 8:00-9:00AM = \$8/day\*. After Care pickup between 4:00-5:30PM = \$12/day\*.

*\*sibling discount available.*

**SNACKS/LUNCH:** Please send your student with a healthy lunch and snacks. There will be a lunch break and two snack breaks.

For more information, or to register, please visit [eisca.org/register](https://eisca.org/register).

**BE A FRIEND, TELL A FRIEND:** Please let other families know about our programs! Refer any interested families to our website [eisca.org](https://eisca.org).

**EIS ADDRESS:** 608 51<sup>st</sup> Street, San Diego, CA 92114 **PHONE:** (619) 263-2302 **EMAIL:** [info@eisca.org](mailto:info@eisca.org).
