

JOIN US!

For Virtual STEM Classes

Join EIS instructors as we virtually explore a variety of STEM subjects!

- ★ Subjects include entomology, geology, astronomy, and engineering. Every week, students will meet with an instructor to explore a different STEM subject and engage in science discussions and hands-on experiments.
- ★ Geared for students 9-11 years old.
- ★ Small class sizes! Maximum of 16 students per group.
- ★ Saturday program last for 5 weeks.

- ★ October 17, 24, 31, November 7, and 14
- ★ Students will receive a list of materials via email needed to conduct hands-on experiments.
- ★ Students will meet using the Zoom platform. For safety, meetings will require a password to enter.
- ★ Cost: \$100 per student. Siblings in the same household can join together for \$100.
- ★ Session Times:
 - ★ Session 1—9:15-10:15am (32 spots available)
 - ★ Session 2—11:00am-12:00pm (32 spots available)
