The Art of Science

Students will participate in hands-on experiments and activities using art to create scientific models. STEAM subjects include ecology, chemistry, art, nature journaling, computer design, and more. Your future scientists, engineers, and artists will enjoy age appropriate science experiments, games, arts and crafts, and more!

Students will be in groups by age/grades:

- Grades 2-3
- Grades 4-5
- Grades 6-8

LUNCH/SNACKS: Please send your student with a healthy lunch, water bottle, and snacks every day. There will be a lunch break and two snack breaks.

HEALTHY & SAFETY: We are committed to keeping our students and staff safe. EIS will be following CDC recommended guidelines, including social distancing, and wearing a mask.
