

2022 SUMMER CAMP TEEN LAB ASSISTANT

Posting Date: April 29, 2022

Position Title: Teen Lab Assistant

Status: non-paid volunteer opportunity, school credit, community service credit

Reports to: Programs Coordinator

BACKGROUND:

The Elementary Institute of Science (EIS) is a non-profit, student-centered organization that provides after-school, weekend, and school break "learning laboratory" classes for students in grades 2 through 8. All classes are designed to provide participants with scientific information and its direct application to their life and well-being. Students explore multiple topics including Biology, Chemistry, Environmental Science, Marine Biology, Health, Sustainability, Computer Science, Photography, Robotics, and Engineering. EIS encourages student involvement, innovation, and creativity through trial-and-error problem solving and teamwork. EIS is located in southeast San Diego, across the street from the Euclid Avenue Trolley station.

We are looking for high school volunteers who want to hone their communication skills, develop leadership skills, and support STEM education opportunities for communities who are most underrepresented in STEM.

Teen Lab Assistants will be expected to volunteer from June 21st until August 26th. There will be at least one day of orientation and training prior to the beginning of camp. Teen Lab Assistants will be assigned to a minimum of 2 weeks of Summer Camp, Monday through Friday from 8:30am-4:30pm (weeks do not have to be consecutive). Lab Assistants

assigned to FIRE Up! must be female with a strong interest in technology, coding, and robotics.

Teen Lab Assistants will have frequent contact with students and instructors. Teen Lab Assistants will meaningfully aid our work to improve STEM learning and fun experiences for children ages 7-14.

POSITION OVERVIEW

The Elementary Institute of Science is looking for Teen Lab Assistants to assist in STEM lessons and activities in the classroom during our ten-week long science summer camp.

DUTIES AND RESPONSIBILITIES

Although specific tasks of the Teen Lab Assistants will vary depending on the classroom they are assigned to, the following list provides an idea of the scope of the position. Assist STEM Instructors with lessons, activities, and experiments with a group of 10-12 children ages 7-14 (2nd-8th graders) at the EIS Summer Camp. EIS Summer Camp begins the week of June 21st-24th and runs through the week of August 22nd-26th. Teen Lab Assistants will be assigned to a minimum of 2 weeks, working daily shifts Monday-Friday from 8:30am-4:30pm (weeks do not have to be consecutive).

- Assist STEM Instructors with lessons, activities, and science experiments with a group of 10-12 children ages 7-14 (2nd-8th graders) at EIS.
- Stay with assigned lab/instructors to assist with one of the following age groups (7-8, 9-11, and 12-14 years old)
- Work with the instructors to conduct experiments and activities in the lab/classroom
- Assist instructors with material and equipment set-up, preparation, and clean-up
- Maintain a safe and controlled environment during all lessons and activities
- Assist EIS staff, volunteers, and interns with supervision of students during snack breaks, including leading games and other recreational activities
- Serve as a role model to students to ensure attention to all of the following: program, health, happiness, discipline, cleanliness, safety, routine duties, character and skill development
- Under the supervision of the EIS staff, reinforce behavior expectations to ensure the health and safety of students
- Understand, follow, interpret, and enforce all program rules, policies, and procedures
- Communicate with EIS staff to find solutions to problems with facilities, programs, and students
- Perform additional job-related duties as assigned.

QUALIFICATIONS

- Must be a high school student entering 11th or 12th grade for the 2022-2023 school year. Students entering 10th grade for the 2022-2023 school year may be eligible *only* if they have previously participated in an EIS program. Senior class of 2022 students are eligible to be a [Summer Camp Intern](#)
- Express an interest in a STEM and/or education field
- Excellent writing, organizational, research and oral communication skills
- Interest and/or experience in working with children or youth
- Professional demeanor and work ethic
- Time commitment: Minimum of 2 weeks of Summer Camp, Monday through Friday from 8:30am-4:30pm (weeks do not have to be consecutive)
- Strong calling to support underrepresented communities in STEM through education
- Fluency in Spanish or other second language is a plus but not required
- Must provide proof of COVID-19 Vaccination

LOGISTICS

Location: 608 51st Street San Diego, California 92114

Compensation: Hours may count towards high school volunteer/community service requirements. Lab Assistants will receive a reference letter for scholarships and college applications

Application Dates: Applications are due Tuesday, May 31st, 2022 at 11:59pm. All applicants will be notified of their status shortly after. Applicants may undergo a phone or virtual interview process.

To Apply: Visit: https://www.regpack.com/reg/templates/build/?g_id=100910057 for application, or email Robyn Carlson, EIS Program Coordinator at info@eisca.org with the subject line "Teen Lab Assistant"
